

1. Instructor

course of study: Strength of Materials Lab, Spring 2016

Department of Mechanical Engineering,

Ferdowsi university of Mashhad

2. Instructor

Course of study: Mechanical Engineering Design I, Spring 2016

Department of Mechanical Engineering

Islamic Azad University (IAU) of Gorgan

3. Instructor

Course of Study: Materials Science, Spring 2016

Teaching experience

Last Updated Tuesday, 26 April 2016 01:53

Department of Mechanical Engineering

Islamic Azad University (IAU) of Gorgan

4. Instructor

Course of study: Introduction to Finite Element Method, Spring2016

Department of Mechanical Engineering

Islamic Azad University (IAU) of Gorgan

5. Instrutor

Course of study: Project management, Spring 2016

Department of Mechanical Engineering

Islamic Azad University (IAU) of Gorgan

6. Instructor

Course of study: Mechanical Engineering Desig II, Fall 2015

Department of Mechanical Engineering

Islamic Azad University (IAU) of Gorgan

7. Instructor

Course of study: Automatic Control, Fall 2015, Spring2016

Department of Mechanical Engineering,

Islamic Azad University of Gorgan

8. Instructor

Course of study: Theory of Vibrations, Summer 2015

Department of Mechanical Engineering

Teaching experience

Last Updated Tuesday, 26 April 2016 01:53

Islamic Azad University (IAU) of Gorgan

9. Instructor

Course of Study: Technical English, Summer2015

Department of Mechanical Engineering

Islamic Azad University (IAU) of Gorgan

10. Instructor

Course of study: Advanced Engineering Mathematics, Spring 2014

Office of International Students,

Teaching experience

Last Updated Tuesday, 26 April 2016 01:53

Ferdowsi University of Mashhad

11. T.A.

Course of study: Theory of Elasticity, Spring 2016

Department of Mechanical Engineering,

Ferdowsi University of Mashhad

professor: Dr. Behrooz Hassani

12. T.A.

Course of study: Advanced Engineering Mathematics, Fall 2014, Spring 2014

Department of Mechanical Engineering,

Ferdowsi University of Mashhad

professor: Dr. Khalil Farhangdoost

Teaching experience
